Description:

Commercial Electrician

We are currently seeking a **Commercial Electrician** for our **Norfolk, VA** location.

You will demonstrate success by:

- Installing and bending various types of conduit (EMT and Ridged)
- Installing various types of electrical equipment to include lighting systems.
- Understanding written and verbal instruction, specifications, drawings, and plans.
- Working with commercial type power to include single and three phase 480 Volt to 120/208 Volt systems.
- Conducting electrical tests to determine proper phasing and voltage within power panels, equipment and electrical devices.
- Troubleshooting and repair of electrical components in a facility/equipment lab environment.
- Training of lower level technicians as required.
- Familiarity with lock-out, tag-out procedures and electrical PPE.

Qualifications:

- High School Diploma/GED required
- Minimum of six (6) years of commercial or industrial electrician installation, repair and/or maintenance experience.
- Detailed knowledge of the principles of electricity and technical equipment.
- Knowledgeable in Wye power and Delta power configurations with voltages from 480 volts to 120/208 volts.
- Must be able to lift up to 50lbs on an occasional basis.

- Must be comfortable working in drop ceiling overheads off an eight foot to twelve foot step ladder or scaffolding.
- Must possess state electrical journeyman's license or equivalent trade school certificate.
- Must be a US Citizen
- MUST be able to obtain a Secret Security Clearance.

Please be aware many of our positions require the ability to obtain a security clearance. Security clearances may only be granted to U.S. citizens. In addition, applicants who accept a conditional offer of employment may be subject to government security investigation(s) and must meet eligibility requirements for access to classified information.

By submitting your résumé for this position, you understand and agree that L3Harris Technologies may share your résumé, as well as any other related personal information or documentation you provide, with its subsidiaries and affiliated companies for the purpose of considering you for other available positions.

L3Harris Technologies is proud to be an Affirmative Action/Equal Opportunity Employer. L3Harris is committed to treating all employees and applicants for employment with respect and dignity and maintaining a workplace that is free from unlawful discrimination. All applicants will be considered for employment without regard to race, color, religion, age, national origin, ancestry, ethnicity, gender (including pregnancy, childbirth, breastfeeding or other related medical conditions), gender identity, gender expression, sexual orientation, marital status, veteran status, disability, genetic information, citizenship status, characteristic or membership in any other group protected by federal, state or local laws. L3Harris maintains a drug-free workplace and performs pre-employment substance abuse testing and background checks, where permitted by law.
