Provided ample time and resources in order to insure understanding of the materials.

That he let us be on a very flexible shchedule especiallly when you need one but not to flexiible that you will not finish in time.

Expectations and deadlines are communicated clearly, positive attitude, very accessible.

I very much liked the way the instructor told us what to expect from the beginning of the semester. I knew what to expect from the quizzes and exams so it was not so stressful trying to study. The flow of the class was at our own pace which was very helpful. The instructor was always very quick to respond to questions and always very helpful. I realize there were many technical problems with the software, but I had no problems. This was my first online class and I was very satisfied. I will be taking more online classes in the future.

At the beginning of the semester he has everything that is expected all layed out and you can work ahead at your own pace. Quizzes and tests were very easy. I especially like his encouraging emails. They always made me feel inspired. Thanks Professor Bryan

I enjoyed my instructor's teaching methods it was very helpful. I am a 43 year old woman that has been diagnosed with breast cancer. My instrutor was very informative, very compassionate and understanding. I really appreciate everything and explained things so that everyone could understand the class. Thank you Professor. May God Bless him and his family.

I like the way Dr. Bryan allows students to work through the textbook at their own pace. It kept me from getting board with the course and provided some flexibility.

He was one of the best online professor I have had!!!!

Everything was fine.

Very Fair

Some of the test material was not clear. No clear correct answer that agreed with the material.

I do not dislike anything about my instructor's teaching methods. Everything was clear and to the point otherwise I could not have did this class.

Question 21 Essay

What changes, if any, would you like this instructor to make in this course?

I would not make any changes!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Nothing - he is doing a great job. Thanks!!

I think the first few chapters can be completed rather quickly. So I would suggest shortening the deadline on those chapters. I also think students would benefit from working through the entire textbook.

None.

Correct the few test questions that are incorrect.

Peachtree Software needs to be improved

The wording on some of the quiz/test questions was a little hard to understand.

I would have liked a few more annoucements that would have discussed what this weeks assignmenets were about or something of that nature. I felt detached from the class at times, which may have been my own fault.

I think I would really like to take one of his classes in person. Good teachers that relate well to the students are hard to come by. Thanks for caring.
