I liked that Mr. Bryan responded to all our posts. Most online teachers do take the time to read all assignments, but only respond when there is something wrong with the assignment. He actually takes the time to acknowledge our progress and gives us pointers to help us become better students and overall become better teachers.

I really enjoy all the feedback that is given to us. I have no complaints, loved everything!

I felt that this course was extremely well thought out and executed. Thanks for making teaching harder to walk away from :)

Everything, thank you for being a wonderful online instructor. I have learned as much as would be possible from an online class.

I think when teaching an online class the best thing you can do is make sure

all of you information and expectations are clear so there won't be an misunderstanding. I think Dr. B did a great job of this so the class ran very smooth.

The articles were different, but not too bad. I actually learned something from reading them. I also like the predetermined days of work schedule even though I fell behind it a few times. That was only because it was new for me and takes some getting used to.

I liked everything about his teaching styles.

organization and how every discussions and assignments relates to the course

Everything! He was very helpful, even for an online class.

Very in depth knowledge and caring for what is being taught. Gives real life examples to apply to the subject.

I did have some personal things going towards the middle of the semester that hindered me from completing a couple assignments on time, so I emailed him a couple times to let him know, but I never received a response. I also called him but never got a call back. That was a little disappointing.

I liked everything

Nothing is wrong with the teaching methods by Dr. Bryan.

N/A

Nothing needs to be changed.

Nothing!

### Question 21: Essay

What changes, if any, would you like this instructor to make in this course?

I wouldn't change anything! The course was amazing!

N/A

Wouldnt change a thing

I've never been a fan of peer feedback in discussion forums. It's not that I fear criticism, I have a hard time reading other peoples responses to a

question or a request when they obviously have not put out any effort, or when they over complicate it. I would prefer not to have my grade negatively affected by not wanting to do this.

No changes would need to be made.

None!

Mr. Michael Bryan is an amazing online instructor! I loved the class! I learned a lot from reading the chapters and completing my field experience. I would recommend this course to anyone who's even considering being a teacher. Although I've never met him in person, through his comments Mr. Bryan has inspired me to be an amazing teacher, he's encouraged me, and he's given me the confidence to take the next step in my future teaching career.

I LOVE THIS CLASS AND THE TEACHER WAS GREAT!

I really enjoyed the feedback that you gave on everyones papers and post. The best feeling is having a teacher that you know wants you to succeed. I appreciate that time and effort that you put in to all of my work along with everyone else. Thank you

Great course.
