I like the fact that the Syllabus and course assignment schedule is geared to help you learn the subject at your own pace. You know what is expected by what date and can ask for assistance at any time. Dr. Bryan is very professional and let's you know he is available to assist you.

I love the flexibility of working at your own pace.

The course is set up very well. It is understandable and straight to the point.

I liked the fact that if there was questions he responded in a timely manner. I like how this was a self paced course

I like that the teacher gives a clear description of the class the the objectives that need to be made and completed. I liked that the teacher had a open

board that anyone could ask questions or respond too. The teacher also responded to the questions in a timely manner. I liked that the course was self paced and allowed the students to work ahead or stay at the regular class pace. I would take every class with this instructor if possible. The best I've ever had!
