We know exactly what to expect week to week. It is the same format every week and that really helps us to know what we are doing.

Great Class, Thanks for everything! :)

This course has been encouraging and insightful. The discussion boards and assignments, along with the observations has opened my eyes to many areas in teaching. All of this will be of great benefit to me in the future. The instructor has been supportive, encouraging, and challenging with feedback on every discussion board.

Online classes are not for me. At times I "forgot" I was even taking a class. I prefer attending classes.
