It was easy to understand.

That everything is based off of the book. Instructions are easy to follow and it is very clear what is expected.

I like that it's the students responsibility to get all of their assignments done on time. Since there were multiple assignments due at once, he would remind us of the due dates!

He makes the student feel that they are important.

That you are given adequate time to do every assignment. Not having strict timelines affords great opportunity to do good work. I wish all my instructors taught the same way.
