

## **Sketching Assignment #4**

### **Reading Assignment:**

Read the following chapter in Engineering Graphics Workbook, Series 2 by Craig & Craig:  
Chapter L - Dimensioning

### **Sketching Assignment:** (staple all sheets together in the order assigned before submitting)

Complete the following worksheets:

- DIM-5      (Use decimal inch dimensions as indicated)
- DIM-6      (Use metric dimensions as indicated)
- DIM-7      (Use fractional inch dimensions as indicated)

#### Notes:

- Use the scales provided on the worksheets to measure each dimension.
- Use good style in dimensioning.
- In DIM-6, dimension the hex hole by its inner diameter.
